

MAURITSON

Since 1868

2023 Mauritsen Rosé Sonoma County

Production:	300 cases
Appellation:	Sonoma County
Composition:	100% Zinfandel
Alcohol:	12.57% by volume
Fermentation:	100% Stainless Steel

Winemakers' Perspective

Our 2023 Rosé was made by whole-cluster pressing 100 percent Zinfandel, a practice that produces lightly pigmented and delicate wines. The Rosé juice was also fermented entirely in stainless steel and has not gone through malolactic fermentation, preserving the bright, cleansing, natural malic acid in the grapes.

This elegant Rosé has a light rose-copper tint with scents of wild strawberry, dried chamomile blossom, bosc pear and crushed chalk, punctuated by traces of morning alyssum blossom. Bone dry, the fleshy core of delicate red fruits is balanced by racy acidity. Enjoy this energetic Rosé over the next 12-18 months with lighter fare or while enjoying a picnic with family and friends!

Cheers,

Clay Mauritsen
